Fighting Psoriasis, Restoring Dignity

Psoriasis Association of Ghana

The Psoriasis Association of Ghana (PAG) is Ghana's first registered non-profit organization dedicated to empowering patients through education, advocacy, healthcare access, and community support — eliminating stigma one life at a time across Ghana.

Fighting Psoriasis, Restoring Dignity

WHO WE ARE

The Psoriasis Association of Ghana (PAG) is a non-governmental, non-profit organization founded in June 2019 by Miss Ruth Adjoa Abeka and a committed team of advocates based in Tema, Greater Accra.

PAG is nationally and internationally affiliated, working to support individuals affected by psoriasis and psoriatic arthritis across Ghana. We serve children, youth, families, caregivers, and healthcare workers through partnerships with global health networks, government agencies, and private sector actors.

MISSION STATEMENT

To improve the lives of individuals affected by psoriasis in Ghana through advocacy, education, support, and collaboration with healthcare providers and policymakers to ensure access to quality care.

VISION STATEMENT

A future where all people living with psoriasis in Ghana have access to appropriate care, are supported by their communities, and are free from stigma and discrimination

Founder & Executive Director
Miss Ruth Adjoa Abeka

Psoriasis Advocate · NGO Leader · Patient Champion

Miss Ruth Adjoa Abeka founded the Psoriasis Association of Ghana in June 2019 with a bold vision to eliminate stigma and dramatically improve the quality of life for psoriasis patients across Ghana.

Under her leadership, PAG has grown into a nationally recognized NGO with international affiliations including IFPA and GlobalSkin, pioneering Africa's first psoriasis GWAS study and conducting landmark community outreaches reaching thousands across Ghana.

NHIS Advocacy

PAG advocates for psoriasis treatment under Ghana's NHIS, reducing GHS 1,500-2,500/month patient costs.

WHAT WE DO

PAG leads comprehensive programs to transform lives across Ghana — from outreach to research.

- **Medical Outreaches**
Large-scale community outreaches identifying undiagnosed cases & connecting patients with specialist care.

- **Public Education**
Educational forums, flyers & media campaigns raising awareness and combating dangerous myths.

- **Policy Advocacy**
Advocating for psoriasis treatment under Ghana's National\ Health Insurance Scheme (NHIS).

- **GWAS Research**
Africa's FIRST Genome-Wide Association Study — partnership with University of Milan.

- **Patient Support**
Emotional, economic & social support to patients and families across Ghana.

- **Global Partnerships**
IFPA member & GlobalSkin affiliate — bringing global best practices to Ghana.
